National Law University Meghalaya invites individuals with a futuristic mindset, aware of the impact of technology in this era of transformational change, who are passionate about shaping the minds and lives of students as teachers, and as faculty members totally committed to further and support the University in its Mission to nurture and empower the next generation of leaders, and create a generic model for higher education institutions of the Future.

**The University is a springboard to a mindset defined by focus areas that express the following anticipated alignments:**

Focus Area	Description	Anticipated Alignments
Exponential Technologies and Innovative Pedagogy	Combining the use of exponential technologies in content delivery with innovative pedagogical approaches.	Embracing AI, VR, IoT, and digital platforms for interactive and immersive learning experiences, alongside advancing cutting-edge teaching methodologies for dynamic and engaging learning, to foster an engaging and comprehensive educational atmosphere that aligns with the evolving demands of legal education.
Interdisciplinary, Research-Oriented, Holistic, and Extracurricular Education	Promoting an interdisciplinary approach to learning, integrating law with policy science, management, and data science, alongside a research-oriented approach for scholarly contributions, fostering all-around development beyond academics, and commitment to extracurricular activities through various clubs.	Offering dual degree programs and interdisciplinary research projects that blend diverse fields, establishing research groups and facilitating research grants, including non-taught courses as part of the academic program, organizing community service initiatives, extracurricular clubs, and holistic wellness programs, encouraging faculty involvement in club management and activities.
Global Perspective, Professional Experience, and Real-World Economic Insight	Cultivating a global outlook and ethical leadership in legal education, coupled with valuing experience in renowned international institutions for economic development and seeking faculty who can navigate intricate economic ecosystems and offer sustainable solutions. This includes working in teams of action research and promoting interdisciplinary and transdisciplinary funded research.	Establishing international partnerships, student exchange programs, global legal forums, faculty leadership experience working with organizations like the World Bank, IMF, ADB, and involvement in action research teams and transdisciplinary projects, integrating real-world experiences into the curriculum.
Non-linear Thinking, Ethical Alignment, and Cultural Sensitivity	Cultivating non-linear, ethical, and professional thinking in faculty, aligned with the University's vision for a technologically advanced, globally relevant, and ethically grounded legal education, and emphasizing sensitivity to diverse cultures and the rich heritage of local communities.	Offering workshops on ethical practices, critical thinking, problem-solving in legal contexts, incorporating local culture studies in curriculum, community engagement programs. Prioritising candidates who demonstrate understanding and commitment to the University's forward-looking goals, including technological integration, global perspectives, and interdisciplinary education.
Adaptability, Continuous Improvement, and Professional Development	Emphasising the adaptability of faculty to a dynamic academic calendar, the importance of continuous improvement through feedback, and ongoing professional development in state-of-the-art facilities.	Developing flexible course modules, integrating trimester-specific teaching strategies, setting up feedback systems from peers and students for academic enhancements, providing ongoing faculty development programs, and tech-enabled research hubs.

### Discover the Offerings of NLU Meg for You

Nestled in the breathtaking landscapes of Shillong, National Law University Meghalaya (NLU Meg) calls as its home a heritage campus site, adorned with architectural splendour, hosting state-of-the-art facilities where classrooms are not mere spaces but gateways to a rich tapestry of higher education. NLU Meg is where tradition meets technology, creating an environment that fosters innovation, connectivity, and excellence—a place where education is not just imparted but crafted into a holistic and transformative experience.

Classrooms are hybrid setups where content can be delivered through an advanced technological ecosystem. We are continually expanding our journal databases and ensuring a technology-driven learning environment with a dedicated Learning Management System.

The University is active in action-research funded by a number of sponsoring agencies and a newly joined faculty may get involved in various capacities related to ongoing projects, as per their interest and expertise.

Faculty cubicles are equipped with high-end workstations and phones with ISD facilities for global connectivity. MS 365 is integrated as a University email system with secure cloud facilities, facilitating a seamless academic journey irrespective of geographical constraints.

Embracing a research-oriented ethos, we support participation in national and international peer-reviewed conferences, reimbursement of membership up to Rs. 10000/- or \$ 300 (USD) per annum for professional membership charges with academic foundations, associations, societies and other professional bodies.

Faculty are also provided with semi-furnished accommodation, based on availability. A one-time relocation charge is also part of the appointment offer. Faculty are also offered comprehensive medical insurance coverage. In a permanent cadre, faculty are entitled to the subscription under the NPS.

If you are passionate about shaping the future of higher education, embracing a dynamic work environment, and embodying a commitment to ethical and professional values, we encourage you to apply. Join us in academic innovation and societal impact.

The online application forms and details of each position under specific categories can be accessed from <https://erp.nlumeg.in/recruitment/>. **This is a rolling advertisement until suitable candidates are selected in all the positions—subsequent advertisements and corrigenda pertaining to the same shall be notified accordingly.** The applications will be reviewed periodically, and shortlisted candidates will be invited for presentations and if they qualify for the presentation round, they will be called for interview. Shortlisted applicants for interview are not guaranteed appointment to the advertised position. The shortlisting of suitable candidates called for presentations and/or any stage of the process of application before the constituted Selection Committee(s) is final and not subject to any further queries. Applicants are required to mandatorily fill in the online application as well as fulfill the application criteria therein including, but not limited to, uploading and submission of all relevant documents and proformas required in the process.
